Town of Marshall, NC
Combination Vacuum Truck and Jetter
10 Derringer Drive
Marshall, NC 28753

Issue Date: January 20, 2026

Response Deadline: February 2, 2026, by 12:00 pm

Contact:

Ryan Cody, Town Administrator

Email: administrator@townofmarshall.org

Phone: (828) 649-3031

Equipment Overview and Specifications

The Town of Marshall is soliciting proposals for a new combination vacuum and jetter truck. The Town of Marshall is looking for a debris body capacity of 3 yds and a water system capacity of 500 gallons. The truck must also include a vacuum system, boom, and jetter.

The truck must be on a Freightliner or International chassis with an appropriate GVW. The Cummins L9 engine and Allison transmission is preferred.

Any questions may be directed to Ryan Cody, Town Administrator or Jamie Chandler, Town Public Works director.

Proposal Requirements

Each proposal must include:

- Itemized cost proposal.
- Truck and Equipment specification breakdown
- Summary of Fees and Taxes that may be associated with the purchase price.

Submission Details

Deadline: February 2, 2026 by 12:00 pm.

Delivery: Proposals must be submitted by mail or hand delivery. Submission must be clearly labeled as, “RFP – Marshall Combo Vac/Jetter Truck”

Deliver to:

Town of Marshall

Attn: Ryan Cody, Town Administrator

10 Derringer Drive,

Marshall, NC 28753

Purchase Decision Date: A purchase decision will be made by 3:00 pm February 3, 2026.

Late proposals will not be considered.

Evaluation Criteria

Proposals will be evaluated based on:

- 35 Points – Lead Time and Availability
- 30 Points - Cost
- 20 Points – Warranty
- 15 Points – Specifications and Equipment

Additional Information

- Town reserves the right to reject any or all bids, to waive informalities, and to select the proposal deemed most advantageous to the Town.
- Bids must be on a total price amount.
