For Immediate Release:

Winter Weather Preparedness

Due to the upcoming winter weather The Town of Marshall urges all citizens to be prepared. We encourage citizens to have an emergency kit, food, water, alternate heat source, and medical supplies. You can find more information on preparedness at readync.gov.

We ask all citizens to be mindful of conditions and travel only if absolutely necessary. Slick roads, power outages, and hazardous conditions are all possible with this storm. For information on the latest weather forecast and advisory check out the National Weather Service at <https://www.weather.gov/gsp>.

The Madison County Government is preparing to open shelters, if necessary. In the event that shelter operation is required, the Wellness Center at Madison County Early College High School and Hot Springs Elementary School will serve as designated sites with the Wellness Center serving as the main shelter.

Take precautions, prepare, and stay alert and informed.
